

**Applications for Older Pets:** If You apply for new Coverage for a Pet dog that has reached Its 8th birthday or a Pet cat that has reached Its 10th birthday, You must provide the following:

- Results of a physical examination performed by a Veterinarian within the 2 months prior to Your application.
- A Complete veterinary medical history from any Veterinarian who has seen Your Pet.

You are responsible for any costs incurred to provide this information.

**Claims Risk Management:** We share with You in managing the financial risk of providing for Your Pet's health. As with other forms of insurance, Your Policy administration may be affected by the application of individual adjustments according to the level of risk demonstrated by ongoing claims. We conduct a semi-annual analysis of all policies as part of Our claims risk management process. Results are used to identify if Your Pet is in the top group of insured Pets in terms of claims frequency and costs over the previous 24 month period. This monitoring mechanism allows Us to protect the majority of policyholders with normal claims experience from having to offset the expense of policyholders with high claims activity.

If Your Policy is subject to claims risk management, there will be an adjustment to Your Co-insurance (the percentage of the claim for which You are responsible) on future claims. Where applicable, Co-insurance adjustments may be changed by 10% increments to a maximum of 50%. This process does not affect Your Coverage limits nor Your premiums and is only applicable if You have future claims. Adjustments are reassessed semi-annually, and You may qualify to return to Your regular level of Co-insurance.

**Insurance Contract:** The entire contract includes Your application for insurance, this Policy, any document attached to this Policy when issued, and any amendment to the contract agreed upon in writing after the Policy is issued. No person has authority to change the contract or waive any of its provisions other than by, in the case of the Insurer, a change or waiver clearly expressed in writing by the Insurer.

**Policy Cancellation:** You must make Your request for Policy cancellation in writing by mail, fax or e-mail. Your request for Policy cancellation must include Your name(s) and all other Policy information to identify the Policy. Cancellation will take place upon receipt of the notice. You shall be entitled to a refund of excess of the premium actually paid over the short-term rate (equivalent to no more than one month's premium) for the expired time.

We reserve the right to cancel this Policy for reasons including, but not limited to, the event of non-payment of premiums or if You have made a false or exaggerated claim. You shall be entitled to a refund in excess of the premium actually paid over the pro-rated premium for the expired time. Cancellation will take place 15 days after You have received written notice by Us.

**Policy Changes:** We reserve the right to make changes to Your Policy by advising You 30 days in advance. Such changes can involve but are not limited to premiums, Exclusions, Coverage, Co-Insurance, Deductible and limits under this Policy. Any change to Your premium will be settled on Your account.

**Plan Changes:** You can apply for a change in Your Coverage Plan at any time. The change will take effect at the end of Your current monthly invoice period or on Your Policy's annual anniversary date.

- This becomes the start of Your next Annual Policy Period with new applicable annual Deductible and Coverage amounts.
- Any Exclusions will carry over to Your new Coverage Plan.
- When increasing Coverage, we may apply Coverage Exclusions or restrictions on Conditions that started and were eligible for Coverage under the previous Plan. Restrictions are limited to the Maximum Payable Amount of the lower Coverage Plan for that Condition.
- All changes in Plan are subject to Our prior approval.

**Continuous Coverage:** This Policy is continuous until cancelled as long as premiums are paid to the end of the current invoice period.

 **Waiting Periods:** Some Coverage is subject to a waiting period. The waiting period starts at midnight of the date of Policy inception and has the following durations:

- 48 hours for Accidents or Treatments claimed as a result of an Accident.
- 14 days for Illnesses or Treatments claimed as a result of an Illness, including claims for behavioural therapy.

Conditions that occur during the waiting period may be excluded from Your Policy as Pre-existing or Foreseeable.

- Claim processing and payment may be significantly delayed in the event Your premium payments are not current at the time You submit a claim.
- If You make a false or exaggerated claim, this Policy will end and We will not make any further payments. Cancellation will take place 15 days after You have received written notice by Us.
- Any action or proceeding against Us for the recovery of a claim under this Policy must commence no later than two years (three years in Quebec) after the date the insurance money became payable or would have become payable for a valid claim. Occasionally, extenuating circumstances such as emergency situations or high-expense veterinary care may necessitate special claim payment arrangements. If You require special arrangements please call to notify Us, so We may advise You of other claim payment options that may be available.

### Pre-existing or Foreseeable Conditions are excluded from Coverage.

## VI. GENERAL CONDITIONS (applicable to ALL Coverage Plans):

1. You acknowledge that you are at least 18 years old or an emancipated minor and are legally able to enter into this insurance contract.
2. You understand and agree that Your personal information will be used in the administration and management of this Policy. You agree that We have Your permission to release Policy information to Your Veterinarian(s) or other pet health insurance providers as required. Please refer to our complete privacy statement at [www.westernfic.com/pdf/Privacy\\_Statement.pdf](http://www.westernfic.com/pdf/Privacy_Statement.pdf).

4. This Coverage is valid only in Canada, or while travelling on vacation in the continental United States of America. All claims that are received in U.S. funds will be adjusted in Canadian funds with no exchange (for example: \$500.00 US = \$500.00 CDN). This is due to the fact that Policy premiums are calculated based on Canadian veterinary fees and are paid with Canadian dollars.
5. Your Pet must be examined at least once a year by Your Veterinarian and be up-to-date with vaccinations and other preventive Treatments as recommended. You are obligated to follow any Treatment Your Veterinarian advises for Your Pet to prevent Accidents or Illness.
6. Insured Pets must be cared for in accordance with Federal, Provincial and Municipal laws relating to Pets (for example: leash laws).

8. Your Policy is subject to all applicable Canadian insurance laws.

## VII. POLICY ADMINISTRATION

**Co-Insurance & Deductible:** You are required to participate in the cost of Your claims by paying any applicable Co-insurance and Deductible. The Deductible is held back from reimbursement and must be satisfied by one or more claims with eligible expenses prior to Us paying claims in any given Annual Policy Period.

**Age-Based Deductible Adjustments:** A Deductible adjustment will apply to Your Policy as Your Pet ages to reflect the substantial increases in health care costs associated with aging Pets. Your premiums will not increase due to Your Pet's age. Your Deductible will be automatically increased on the Policy anniversary following Your Pet's birthday, as shown in the Deductible Table below.
